

# The Quantum Consciousness Experience Facilitator Training Program

(includes ongoing coaching towards certification and first year's professional listing)

**Melbourne, February 23<sup>rd</sup>, 24<sup>th</sup>, 25<sup>th</sup> 2019**

*"We are a window to a dynamic and unfolding universal journey. Simply put, we are a human portal waiting to be released into the fabric of the cosmos itself. To know that we are part of creation, part of a greater energy and that the remembering of this through personal experience, is all it takes to change a life." - Peter Smith*

*In this 3 day workshop you will have the opportunity to journey through your alternate realities, other dimensions and parallel lives. We will also be teaching you our philosophies, concepts and models that embody the Quantum Consciousness Experience. This course is highly experiential and you will immerse yourself gently into the consciousness of these sessions by both giving and receiving these journeys.*

*On Day 1 we share various aspects of Quantum Physics and how the combination of these, together with Expanded States of Awareness and a shift in present consciousness, can offer access to different realms of consciousness. Discovery of your alternate realities will bring the opportunity for healing, exploring, gaining wisdom, and being of service to your other selves.*

*On Day 2 we explore the Expanding Realms of Consciousness model, designed to transcend the heavier energy we experience in human form, as we move into the limitlessness of your being. We will see a demonstration of this profound experience before undertaking our own journeys on Day 3.*

*Following our three days spent together, you will be free to facilitate these sessions in your practice. You may also be invited to undertake accreditation with our Institute to then be promoted as part of our professional network and join The Consciousness Collective – an alumni group who have attended our courses. The concepts and philosophies taught, will ripple across the remainder of your practice extending your offering to clients.*

**\$995 – Includes morning/afternoon tea, all materials and coaching during the 9 month certification period.**

*(\$200 deposit required, remainder due 2 weeks before)  
(Early Bird of \$895 if paid in full by January 20<sup>th</sup>, 2019).*
